

Private Car Policy Summary

Welcome to insurethebox

Thank you for choosing insurethebox, a trading style of Insure The Box Limited. This is a summary of your car insurance policy, and does not contain the full terms of the policy, which can be found in your Private Car Policy Document.

You should ensure that you review your level of cover on a regular basis, so that it remains adequate for your needs.

Type of insurance and cover

This product is a telematics car insurance policy, with comprehensive cover. It lasts for 12 months, unless cancelled.

This is a mileage-based product. You purchase a set number of miles (6,000, 8,000 or 10,000). A telematics box (an in-tele-box) will be installed in your vehicle, which will record the following information about your driving, including but not limited to:

- The time of day you drive
- The speed you drive at on different sorts of roads
- How smoothly you drive
- If you take breaks on long journeys
- Your motorway mileage
- Your total mileage.

This information will be used to help calculate Bonus Miles (you can earn up to 100 Bonus Miles per month for safe driving), and to help calculate your renewal premium.

If you need additional miles you can buy Top Up Miles – in bundles of 250, 500, 1,000 or 2,000. If you exceed your Policy Miles and do not top up your miles or receive Bonus Miles your policy will be cancelled.

- There is no cover to drive any car other than that shown in the Certificate of Motor Insurance.
- Driving too fast for the road you are on will reduce your ability to earn Bonus Miles, affect the renewal of your policy and in certain cases will lead to cancellation of your policy. Refer to the “Excessive Speed” condition within your Policy Document for full details.
